Strawberry Shampoo

A/N: To understand fully _strawberry sHampOO_, one must look no further than the acclaim of Faulkner, whose _The Hunt_ dazzled our literary canon with Faulkner's purposeful run-ons, inconceivable adjectival parings, and, more often than not, glimpses into his easily conscious consciousness. To enjoy _strawberry sHampOO_, however, I would recommend a light rosÃ© to accompany. Bon appÃ©tit.

strawberry sHampOO

**But she is better when she gets to unwind after a long day of work outs and hunt. Like now!
